Rockwell Parts

Rockwell Parts - The company of AxleTech International is a large supplier of specialty vehicle drive-train systems and parts along with off highway vehicles. They take great pride in being a preferred supplier to their customer base. AxleTech strives to meet and exceed their clients' expectations for delivery, quality, service and technology. They believe in working in an environment which encourages the utmost integrity with empowered collaboration, along with a unrelenting pursuit of results.

AxleTech International is a General Dynamics company. They believe strongly in actively using principals of ecological safety and stewardship in how they do business. The company has put different programs in place to be able to articulate these values in their business policy. AxleTech gladly shares this policy and welcomes interested parties to offer them with any comments or questions, since they are glad to share and promote this policy with a greater knowledge of their efforts. They are really committed to preserving and improving the natural environment. AxleTech has an EHS program that not just protects the natural world but which even actively protects their neighbors and workers also.

AxleTech specializes in the manufacture and designing of planetary axles utilized for both military and commercial applications, which can comprise anything from airport ground support to construction equipment. They take great pride in being an innovative drive-train solutions provider also. AxleTech specifically designs axles to meet certain application demands. They have more than 1000 different axle specs in their current offering. With over 100+ years of knowledge and history, AxleTech proudly supplies the most complete solution for whichever of your axle needs. The business is well known in numerous commercial and military applications. They offer complete axle assemblies utilized for aftermarket replacement requirements, together with servicing axle requirements for OE production. Their high mobility ISAS have further details that could be found in the "ISAS" product selection.
