

Trek Part

Trek Parts - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning business. The company's founders, Bob O'Hara, Jim Hartsock and Chris Knwolton, have over 60 years combined experience with effectively designing, developing, marketing, manufacturing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their clients and are committed to giving top quality and new design concepts in order to meet the diverse requirements of their customers.

TREK Cleaning Machines continually offers fresh design concepts as shown in their product development. They enjoy offering products that energize both their partners and their dealers and provide production gains to their customers.

The team at TREK enjoys dealing with new tasks and challenges. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the understanding of operators' requirements and skills combined with their comprehension of cleaning applications, together with owners' strong desire to dramatically lower cost through productivity gains.

The personnel at TREK and their dealer-partners are really dedicated to having both technical support and parts obtainable when it is required. Their high service dedication is amongst the core values in their customer service. Keeping their clients' cleaning machinery running and ready on a daily basis is top priority. The company's top of the line technology delivers dependable machinery which eventually lessens your cost of cleaning. The service, the product and the price all work as one to make them an industry leader.
