

Fork Mounted Sweepers

Fork Mounted Sweeper - The forklift mounted broom attachment could really make industrial sweeping jobs much easier. Meant for use on either dry or wet surfaces, this mounted broom accessory could push snow and squeegee water with no trouble. This particular attachment is often used to clean garbage from parking lots, warehouses, construction sites, docks and virtually anywhere it is considered necessary. The forklift sweeper is a low maintenance accessory that utilizes quick-tite blade products to easily attach to the lift truck.
