

Nissan Forklift Parts

Nissan Forklift Parts - Nissan prides itself on reaching overall customer satisfaction when their customer is enjoying one of their countless trucks, cars or lift trucks. Nissan Forklift division is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are fully committed to offering high value and meticulous quality values to their clients. Incorporating a rich heritage combined with strong processing principals, Nissan Forklifts provide many of the best materials handling equipment the industry has to offer.

Nissan Forklifts has recently added a European production warehouse in Sweden to keep up with worldwide forklift demands. Dedicated to offering customer support, the company has four separate production facilities that allow them to continually adapt to their customers continually evolving wishes by offering an assortment of modern ideas and concepts.

Nissan Forklift operations for North and South America is based in Marengo, Illinois. Home to a staff of 350 personnel, they are devoted to the design, fabrication, and support of their lift truck products. Using ISO standards (ISO-9001 and ISO-14001 certifications) this permits sectors of the Nissan Forklift Operation to sustain environmental responsibility by using methods and procedures that minimize their environmental footprint. These high standards remind consumers that Nissan operates under the quality seal that their consumers demand while being an environmentally aware company.

Nissan is confident that they will be capable of addressing any client questions or considerations. Always accessible through their website or by calling 800.871.LIFT, contacting one of their community authorized dealers or even traveling to their Midwestern office, Nissan Forklift Corporation is certain you will be impressed with their hospitality and commitment.
